Item 2 MOTION TO APPROVE CONSENT CALENDAR

Upon request from a Board member or any member of the public, individual items may be removed from the Consent Calendar in which case they will be discussed later in the meeting (under items removed from the Consent Calendar).

- A. **Financial Reports** – As attached: Income statement, balance sheet and transactions for current fiscal year to date (July 1, 2012 through Oct 31, 2012), as well as for the prior fiscal year July 1, 2011 through June 30, 2012.

Item 3 NATIONAL PARK SERVICE REPORT

Representatives of the National Park Service may be present to update the community on various ongoing NPS projects.

Item 4 FIRE DEPARTMENT

Report by Fire Chief – Steve Wynn will be available to report on the activities of the fire department.

Item 5 DISTRICT MANAGER REPORT

Approval of Budget – Attached as an exhibit. The budget contains last year's budget compared with actual results, and then a column for the current year budget. It is largely a conservative projection of last year's actual results.

Pool Table – As many of us know, Gerry Pearlman decades ago arranged for donation of a pool table which has been housed in the fire station. There are some changes proposed by Gerry Pearlman as well as some proposed by Steve Wynn. They will be on hand to discuss.

Workers Comp Carrier Change – The District has changed carriers from State Fund to the Special District Risk Management Authority, effective Dec 1, 2012. We expect a significant savings in premiums.

Group Health Coverage for Firefighters - In the last couple of months the District has made changes with our health insurance provider, CALPERS, to be able to offer group health coverage to all volunteer firefighters and their families at the District's cost for the coverage.

Water Administration – We have two recommended changes. One, more than a year ago we changed to bi-monthly water billing in order to save on administrative costs on a trial basis – it's been a great success. During this time we continued to read meters monthly even though the billings took place only every other month. At this point we recommend reading every other month consistent with the billings. We have a very lenient leak policy so the benefit of catching a few leaks isn't worth the extra expense and major leaks are on the District side anyway and all significant leaks are visible at the surface and are not first noticed via meter readings.

Two, oftentimes homeowners transfer their water accounts into their tenant's names, and that causes a measurable expense for the district. Typically renters do not pay their final bills and it takes some effort to recover the charges. Since water bills become a lien against the homeowners' homes, it's somewhat of a false sense that the bill is truly the responsibility of the renters. While it's up to the homeowner as to how to treat it, we recommend having an account name transfer fee of \$45 to and from the renter's name so we capture the administrative costs of making the change. Hopefully with the fee more homeowners will simply rebill their renters for the costs of the water the renters incur.

Water Department Cleanup – As many of you saw, we made a pitch to the neighborhood via Nextdoor for help with culling through the years of accumulated supplies and rusty parts down at the containers at the pumphouse. Ralph Frey kindly offered his services and we've already shipped off a mounded full trailer of stuff to the dump (thanks to Chris Gove), and the remaining items are getting organized in new plastic bins with labels. We even found a 3'x9' workbench under cans of paint and white buckets that can again be a useful place to fix things. Our thanks to Ralph, Chris and Harvey.

Item 6 RECREATION ITEMS

Comments or updates from members of the audience.

Item 7 ITEMS REMOVED FROM THE CONSENT CALENDAR

Discussion and action on items, if any, removed from the Consent Calendar to the Regular Agenda.

Item 8 PUBLIC OPEN TIME

1. *Topics should be within the jurisdiction of the CSD (water, roads, fire & public recreation).*
2. *The topic should not be elsewhere on the agenda.*
3. *The Board and staff may only briefly respond to statements and questions (legal requirement for items not posted on an agenda which lets members of the community know a topic is up for discussion).*
4. *Public comments are limited to 3 minutes per speaker, unless waived by the Board.*
5. *The period for public open time is limited to 15 minutes, unless waived by the Board.*
